DL Half Moon 518H is one heck of a show-stopper! Folks, if there is one female that will capture the attention of absolutely any cattleman - this is the one. She's impeccably designed, structurally flawless and beautiful fronted. It's almost unheard of for a female to be as expressive in muscle shape and pattern, yet still maintain such an elite, feminine look and this female does just that. Get her in motion and she's as sound as a cat, flexible in her pasterns and tracks with the utmost confidence. This homozygous black, double polled daughter of ELCX Kings Landing 599D is one to have at the top of your radar. ELCX Kings Landing 599D is the 2016 NAILE Reserve Grand Champion Bull out of the elite mating of MAGS Xyloid and the great WLR Prada female. This female's dam is DL Dream On 126D, an RLBH Air Force One daughter. Holy smokes- if her looks weren't enough to impress you, this pedigree will stop you dead in your tracks. She is a 75% Lim-Flex female that will take you to the backdrop time and time again and she'll be at the top of your donor prospects when she goes into production. This is one you will not want to miss!

There's just something so unique and eye-appealing when a female is drop-dead gorgeous AND red! DL Heart of Gold 40H is flawless from every single angle. She's structurally correct, explosive in her rib shape and crazy good in her lines. This is one whale of a young 75% Lim-Flex female. She is sired by the ever-popular, MAGSWL Usual Suspect 538U, the MAGS Sasquatch x MAGS Phantoms Prize son. He is the once triple crown winning sire who has risen to the top of the Limousin breed rapidly. This female's dam is BSTR Gold Digger ET, a MAGS Winston and SBXL Underthecovers 201U daughter. We cannot emphasize enough this female's pedigree. It is loaded with the breed's finest genetics and we are ever-confident in her future ability to produce breed-leading individuals. Not only will this gal hang numerous banners during her show career, she'll be one tremendous producer of elite offspring.

Folks- LOOKOUT! DL High Tide 24H is one of the most elite show heifer prospects we've raised. She has such an elite, flawless design and she's equipped with some of the best running gears a female can have. When she's in motion, you'll appreciate her softness of pasterns, flexibility and downright gigantic stride. She's as long as a freight train and she's incredibly powerful in her build. This female's front one third design is impeccable and she'll capture your attention from a mile away. She is sired by Coleman Charlo 0256, an OCC Paxton 730P son. He's a calving ease bull that is an outcross to most bloodlines in the industry today. Her dam is MJ Dirty Diamond 6D ET is a Cottage Lake Border Agent daughter out of the great MAGS Xesturgy female. This double homozygous female ranks in the top 35% of the breed for marbling. When we think of a female that can do it all and still look like a queen in the process- this is the one that always comes to mind!

This female is sure to pull at your 'heartstrings' when sale day rolls around. DL Heartstring 23H is a beautiful daughter of the one and only RLBH Air Force One, the EF Xcessive Force son that has risen to the top of the breed in a major way. Her dam is AUTO Ponder 454D ET, a daughter of EXAR Blue Chip 1877B and the infamous AUTO Rebeca 292S female. EXAR Blue Chip 1877B is the son of Dameron First Class who has sired countless champions and offspring that highlight sales across the country. AUTO Rebeca 292S is one of the most consistent, powerful producers within the Limousin breed. AUTO Ponder 454D ET sold for \$15,000 at Pinegar Limousin to Sara Sullivan of Dunlap, IA. Talk about an elite pedigree lined with genetic excellence and purple! DL Heartstring 23H is homozygous black and double polled. Her marbling figure of 0.31 ranks in the top 10% of the breed. This is one you'll want at the top of your list on sale day!

This is another impressive daughter of the great RLBH Air Force One. AADC 22H is freak-necked, flawless in her shoulder and she's great on her feet and legs. She's a head-turner if we've ever seen one! RLBH Air Force One is the many-time National Champion Lim-Flex bull and has over 300 registered progeny on the ground today that are sweeping shows and sales across the entire country. This female's dam is SSTO Round Robin 3805A, a maternal sister to MAGS Ur A Robin, SSTO Zayl and the \$68,000 valued donor at DeMar Farms, CFLX Robin 251Z. SSTO Round Robin's dam is the famous BOHI Red Robin 282R, who has produced excellent individuals all over the country. SSTO Round Robin 3805A was the Reserve Champion Limousin Heifer at the Fort Worth Stock Show and Rodeo for Lauren Stowers of Bridgeport, TX. This female is bred to be a special one and we are confident you'll understand why we love her so much!

This is as 'high-class' as they come! DL High Class 42H is just that. She's the epitome of what a female should resemble. This 68% Lim-Flex female is sired by EF Xcessive Force the 2012 NWSS Champion Lim-Flex Bull that goes back to Traveler 004 and out of a phenomenal DHVO Deuce show heifer. Her dam is DL Vashti 66Y, a GPFF Blaque Rulon daughter that we are more than proud of here at the farm. She is one of the most attractive donor female's we've seen and we are so excited about her progeny, no matter what we mate her to! This is a home run type of female that will take you to the top in any arena and any pasture. She's massive in her build and remains so feminine in her lines. We love her natural body shape and muscle expression. Her front one third is flawlessly put together and she's wicked sound on the move. She is homozygous black and double polled and her birthweight ranks in the top 30% of the breed. We can't say enough about the potential this female has, her elite pedigree and flawless phenotype.

DL High Seas 30H is one that you'll be hearing about no matter where she lands. We simply cannot say enough about this female's genetic value and her immense worth- not only as a show heifer prospect, but as a future donor! She is a daughter of Coleman Charlo 0256, the OCC Paxton 730P son who is a breed changer, known for his calving ease and fleshing ability. This female's dam is MJ Dirty Diamond 6D ET, the Cottage Lake Border Agent daughter out of the great MAGS Xesturgy female. Whew- if that didn't capture your attention, her phenotype will knock it out of the park! This female has been an absolute picturesque female since day one. She's flawless from every angle, structurally sound and huge bellied. This is the type of female we dream of raising and she's far surpassed our hopes and dreams from every aspect! She is a 43% Lim-Flex female and she's double homozygous. You'll want this gal in your possession when the sale concludes or else you'll be reading about her down the road- she's that good.

This mating of the Canadian outcross Red Angus sire, Red Wildman Cimarron 605D and the highly prolific AUTO Ajay 206A female is worthy of attention coast to coast. These three embryos will be 25% Lim-Flex, double polled and black- embryos that you won't want to pass up because the genetic worth is second to none. Red Wildman Cimarron 605D is out of Red Wildman Miss Stocky 420B, the 2016 Canadian Show Female of the Year. Cimarron was at his dam's side when she won the Grand Champion Red Angus Female at the 2016 Farmfair International. AUTO Ajay 206A truly doesn't need an introduction, but to refresh your memory she is the daughter of SAV Brave and from the one and only, MAGS Manuela female. AUTO Dana 265D is an excellent daughter of AUTO Ajay's that Ben Spencer of Gibbon, NE had an excellent show career with. She was the 2018 NWSS Grand Champion Lim-Flex Female. A notable son of AUTO Ajay is a leading sire for White Valley Ranch in Adair, OK, PBR's House of Cards. Look no further for proven, winning genetics that deliver year after year.

These three embryos are from the elite mating of MAGSWL Usual Suspect and the great J6 Tempest B300 female. The embryos will be 50% Lim-Flex, homozygous polled and red. MAGSWL Usual Suspect is the Triple Crown-winning bull that continues to be the go-to sire for elite purebred Limousin genetics. He is the son of MAGS Sasquatch and the great MAGS Phantoms Prize donor. J6 Tempest B300 gained attention from across the country with her prolific donor look and elite pedigree. She is out of WEBR Card Shark 1015 and out of the famed SLGN Stony's Temptest 778T female. You truly will not want to miss this elite genetic opportunity. These future calves will rise to the top of their contemporaries in no time and we are confident they'll be the type of individuals history is written about!

Davis Ranches proudly support our youth and has been a proud breeder of Registered Limousin seedstock for the last 37 years!
