Congratulations to the Ratliff Family in Westphalia, KS for their success and all they have done in creating what they have with the progeny of Riverstone Charmed 50C. It needs to be noted that the David and Michelle, Chase and his siblings have been so instrumental in the creation of some of the finest cattle ever created in the Limousin business. Ratliff Gabby and Ratliff Google are two of the finest they have created and are some of the winningest females ever created by the Ratliff Family.

The one single mating that has taken the cattle business like a world wind is the blending of Silveiras Style back on Riverstone Charmed 50C. There are so many championship honors by the select few that were lucky enough to have them that they are too numerous to mention. Silveiras Style 9303 has dominated the show world in such a prestigious way across numerous breeds. Style's progeny have claimed more champion titles over a nine year period than any other bull out there and there is something special when he is mated to 50C and now we think the same will be true as he has been mated to her full sister 50F. The Sullivan Farms and KLS Farms, Inc. donor female in this mating is Riverstone Lucky Charm 50F, a full sister in blood to the one and only Riverstone Charmed 50C. She is the "One" female that has won to many show titles to mention and the show heifer known as "Larissa." She is sired by TMCK Durham Wheat 6030X and out of the HSF Your Fantasy female. The embryo selling will be full siblings IN BLOOD to some of the finest Lim-Flex cattle ever created in the breed!

Riverstone Charmed

RIVERSTONE CHARMED 50C

Possession owned by Ratliff Cattle, Westphalia, KS
and 50% embryo interest owned by
Linhart Limousin, Leon, IA

Selling full possession and 50% embryo interest of a (60 day bred) guaranteed heifer pregnancy. Recipient is located at Four Corners Genetics, Adair, OK.

The Ratliff Family have put more sweat and labor into the showing and exhibiting of one of the all-time greatest females to ever exist, Riverstone Charmed 50C! She is known as "The Ratliff" heifer that took every single show ring by storm and turned so many cattlemen's heads along the way. The Ratliff Family are responsible for the success and accomplishments of her along the way. She is an absolute "one of a kind" female that only comes along once in a lifetime. We congratulate the entire Ratliff Family on the success they have had and continue to have in the business. Together Madison Ratliff of Westphalia, KS and "Larissa" most notably took the highly coveted North American International Livestock Exposition Supreme Champion Female honors in 2016. This female is a daughter of TMCK Durham Wheat 6030X and out of the HSF Your Fantasy female. Durham Wheat is the DHVO Deuce 132R son out of the MAGS Strawberry Pie female. HSF Your Fantasy needs absolutely no introduction because she is one of the Limousin breed's most prominent and prolific donor females to ever exist. She is out of a Carrousel's Nasdaq daughter, HSF Tinkerbelle and she is sired by MAGS War Admiral. She is 95% Limousin and homozygous black and heterozygous polled. You will not want to miss this tremendous opportunity to add the most elite genetics in the industry today to your program!

KLS SULL Charmer is the recently \$52,000 valued herd sire prospect recently sold in the 2020 Night on the Town III Sale where full possession and half semen interest was purchased by Ridgeland Cattle Company. This bull is wicked good- he is gigantic boned, impeccable in his structure and build, flawless fronted and insanely powerful in his design. He is a son of TASF Crown Royal and out of the famed Riverstone Charmed 50C female. TASF Crown Royal is the DHVO Deuce x TASF Whiskey Lullaby 357W son that has taken over the entire breed with his powerful influence. Riverstone Charmed 50C needs no introduction- she is the "Larissa" Ratliff show heifer that will go down in history as one of the greatest show females of all time. Not only did she make her mark during her storied show career, she is now generating progeny that command top dollar and completely dominate any arena they walk into. The Ratliff Family is responsible for creating some of the finest and very best progeny ever created on this planet. We want to thank them for all they have done in bringing the Limousin cattle promotion to the level of what it is today!

KLS SULL Charmer is a PUREBRED Limousin bull that has all the potential in the world to be at the very top of the Limousin breed and far beyond! You'll want to be a part of this phenomenal offering- this is the opportunity of a lifetime to have KLS SULL Charmer influencing your program. We are more than thrilled to have this remarkable purebred bull's semen come on the market and it is being offered at a very reasonable figure, with the plan to allow any breeder at any level influence their programs.

Riverstone Charmed 50C, "Larissa" is the undisputed National Champion female etched flawlessly in the minds of every cattleman across the nation and far beyond. We could take up pages to encompass the major influence Riverstone Charmed 50C has had, but we'll save that for another time. What the Ratliff Family have done with all the genetics of Riverstone Charmed is unheard of in the cattle business. David, Michelle, Chase and his sisters have been responsible for the creation of some of the very finest cattle ever created and they stem from Riverstone Charmed.

Her most recent accomplishment was topping the market in 2020 by raising Ratliff Howboutit 008H to Sarah Sullivan, Dunlap, IA for \$201,500 in the recent Ratliff sale. The success of the Fall '20 Ratliff "Bid off sale" was earth shattering on the success that they have had and for that we congratulate them on creating Ratliff Howboutit 008H and so many other great cattle.

The 50C full sibling, Riverstone Lucky Charm 50F is the donor in this highly anticipated mating. She is the highly valued private treaty purchase and now owned by Sullivan Farms and KLS Farms, Inc. Riverstone Lucky Charm 50F, just like "Larissa" is a daughter of the great DHVO Deuce son, TMCK Durham Wheat 6030X. FWLY Can Do is the exciting young bull produced in the Fawley Farms program. He was the 2018 American Royal Champion Limousin bull out of RLBH Air Force One and the great CLLL Crystal 334W female. Their dam is the esteemed HSF Your Fantasy female. Take advantage of this sale and invest into some of the most sought after and finest genetics that money can buy! These embryos are a hot commodity, the rare opportunity is yours.
